The Colored School

The P. E. O. ladies are again at work raising funds to carry on a school for the colored children the coming winter. The plans followed the past two years have been changed somewhat in that the colored people will be required to render certain help themselves and that pupils brought in from outside of town must pay the regular tuition.

The colored children of the town are entitled to an education but as the enumeration falls below the required number to conduct a school from the public funds voluntary contributions are being solicited.

Following is a detailed statement for the year ending July 1.

Lozier & Lozier's

Bred Sow Sale

Wed., August 24

Carrollton, Mo.

A choice offering of real, serviceable sows, rich in the blood of Pathfinders, Sensations, Orions, and Col's.; bred to PILOT PATHFINDER, the greatest son of Royal Pathfinder, LOZIER'S GREAT ORION SENSATION, a worthy son of the National Grand Champion.

ROYAL ORION, a richly bred Orion Cherry King.

The merit and popularity of our herd was attested by our February sale, which made the highest average of any Missouri breeder. In our coming sale we do not expect fancy prices.

Mr. Breeder and Farmer:—

There never was a better time to buy pure-bred Durocs than the present. At prevailing prices you are sure of a profit. The hog market has reached bottom and we now have an advancing market.

In the deluge of falling prices in this readjustment period, hogs have continued to show a profit and will, in the future as in the past, be the farmers' surest, safest and best source of profit. Attend our sale and replenish your herd or buy your foundation stock from our choice offering.

They will be sold "worth the money."
